Cleveland, O., May 29.—Just because Harry Morgan of the Browns became generous with his wild pitches, Cleveland was allowed to win from St. Louis to-day. For three innings Morgan pitched grand ball, striking out four men and keeping Cleveland's bats quiet. In the fourth, however, he grew wild, and finally became so uncontrollable that McRae yanked him out and sent Buchanan to the side. The damage was already done, and a victory remained with Cleveland.

Rhodes, on the firing-line for the locals, was touched up opportunity in the first two innings, but during the remainder of the game was a complete puzzle, holding the visitors down to five hits.

The game was complete with brilliant fielding plays. Tom Jones killing a sure-base hit by Bradley in the first inning to a great stop, while a moment later Keckler robbed Bowles of a two-base, a seemingly impossible catch. Bay treated Rhodes in the same way, when a hit by Kuhnle was a single, and a double, and a short, scooped up by any number of grounders that bore the basehit label. In addition, Turner also led with three singles.

St. Louis had a hard time in the fifth inning as the Browns drove home the wood. Stone singled to center and advanced on Kuhnle's sacrifice and scored on Price's single.

Price hit a high one to Jackson, and when it got in the sun, Jackson dropped it. Wallace and Moran were easy outs.

To the second round Rhodes and Gleeson were to account. We saw Gleeson scoring when Morgan lured on one of Rhodes' fast shots for two bases. Moran's two-out single and no more runs were forthcoming for St. Louis in the sixth, when Jones made the circuit on his single. Wallace's two, Moran's one, and a run in the eighth.

St. Louis had a hard time on the combats until the fourth inning when Lajoie broke the ice. He started with a single, and Bradley was smacked in the ribs with the ball, and the two of them both ran. Larry scored on Shantz's out.

Rhodes beat out a shot in the fifth and Vinson sacrificed. Bay bunted a fly, and Price was a single, and again both Flick was sent out with. With Lajoie at the bat, a wild pitch scored Flick, and then McRae substituted. Buchanan had a hard time, but he held his own and walked a few seconds later. No more scores, however, were made until the seventh inning when the double and scored on two outs.

High Chancellor Wins Memory of Sport's Victory Long Ago.

High Chancellor's win yesterday at the Fair Grounds with a whip dinging behind him throughout the race reveals an episode which occurred over the old course a decade ago when Starter Caldwell was officiating and when practically the same thing was witnessed.

In those days races at seven and one-half furlongs were held over the track, and the distance was about the same as on the blacktail in the present management on account of the danger to horses and jockeys from the fact that they have to turn sharply.

Caldwell had engaged more assistant Poles with him at the time and had had a big field to contend with. In the bunch he was given a good start. Sport's last, which he had won, was held before the blacktail in the present management on account of the danger to horses and jockeys from the fact that they have to turn sharply.

Poles had a hard time in the starting gate, and when the field was away, he turned to stand on his hind legs and dashed off like a madman.

Exasperated by the day's performance he turned to stand on his hind legs and dashed off like a madman.

Danny Shaw, who had relieved Harry in the fifth race, and had turned to stand on his hind legs and dashed off like a madman.

In the next riding Harry cut out his second trip and skinned on Simonson's shank. Danny Shaw, who had relieved Harry in the fifth race, and had turned to stand on his hind legs and dashed off like a madman.

For the race of yesterday, it was the only instance record where such a thing had occurred. Both horses had the whip caught in their tails in precisely the same fashion.

Two runups characterized the racing of yesterday. In the first event, when Abel, owned by Tom Stevens, scored, T. F. Buckley was on hand and bid the gelding up \$100 over his entered price, or to \$200 in all. Evidently believing that the 3-year-old was worth that amount Stevens bid the usual \$1 additional and retained his horse.

Tom Stevens, same owner who presented Abel, Russell up, and claimed his from the Williams stable. He seems to have made a good purchase in the case of the gelding.

S. M. Williams cut into the game with a runup in the third race charmed Aunt, who was one of the nine horses purchased by Sam Hough for \$100. Stevens' son, who in another stroke of genius had taken advantage of an opening near the rail, Williams bid up \$50 and Hough protected her with \$1 additional.

Entrance fees in the second, fifth and sixth races made these events of considerable value yesterday. The Fair Grounds Association adds the usual \$60 to all such races, but in this case, for the \$100 charged, this amount goes to the winning horse.

Admittedly, while the second and third races were won by Abel and the fourth respectively, the money was \$400 a minute second, \$100 in the fifth and \$50 in the sixth.

Applications have been made by many bookmakers for permission to cut in at the Fair Grounds today, and it is expected that a few more books will open Saturday in the regular ring, will again be in line this afternoon. Several field books will be put on the popularity of the game on holidays necessitating this increase.

TRIPLE A. VS. CONCORDIA.

Teams Play First Game of Series of Three in Forest Park To-Day.

The Triple A and Concordia Seminary baseball teams will play the first game of a series of three on the grounds of the former in Forest Park this afternoon. The seminary team is the strongest amateur team in the city, having won all of ten games played.

The Concordia team won from the C. B. C. by the score of 4 to 1, while the Triple A team beat the Concordians 3 to 2. The C. B. C. is in tenth, Kearney and Merberger will be the batters for the A.

When the system gets debilitated and in a run-down condition it needs a tonic and there has never been one discovered that is the equal of S. S. S. It is especially adapted for a systemic remedy, because it contains no strong minerals to derange the stomach and digestion, and affect the liver and bowels. It is made entirely of roots, herbs and barks selected for their purifying and healing qualities, and possesses just the properties that are needed to restore to the body strong robust health. When the blood becomes impure and clogged with waste matter and poisons

I have used your S. S. S. and found it to be an excellent tonic to build up the general health and give tone and strength to the system. I have used other things highly recommended, but S. S. S. did me more good than everything else combined. As to its tonic properties it gives a splendid appetite, refreshing sleep, and the system undergoes a general building up under its invigorating influence. 345 Woodland Ave., Warren, O.
